

eGift Cards: Frequently Asked Questions

How do I purchase an eGift card?

Purchase online [at my Square online store](#) using a credit card. If you have a promo code, you can enter it and the discount will be applied. Please [contact me](#) if you wish to use another form of payment, or you live in the U.S.A. (Paypal is used for international purchases).

What options exist for eGift cards?

eGift Cards start at \$125 (private class for one person). Rates are listed on my [website](#). Personalized design using your image is available for a nominal charge.

I want to have a virtual session with someone who lives at a distance OR I want to have a yoga session with my partner/friend or family member(s). Is this possible?

Yes! Simply add the additional fee (\$20) per person to your gift card purchase.

How does an eGift card recipient book their yoga session?

If you have questions or wish to discuss your needs directly, feel free to [contact me](#). You are welcome to do so before or after submitting your [registration form](#). Each person participating in the same session must complete a registration form. After I receive your registration form(s), I will contact you to schedule your session.
